PROFESSIONAL CERTIFICATION

Professional Certification

FULL-STACK ENGINEER - AI

ISSUED TO

Yasitha Godaarawa

This certificate acknowledges the completion of the 4-month Full-stack Engineer, AI Professional Certification Course. The recipient has mastered the MERN Stack (MongoDB, Express.js, React.js, Node.js), worked with Large Language Models (LLMs), built Retrieval-Augmented Generation (RAG) pipelines, and utilized Vector Databases. They have successfully developed a feature-rich Hotel Discovery and Booking Platform with 5 customized features. Congratulations on this outstanding achievement!
